

# Nothing Else Matters

so close, no matter  
how far couldn't be  
much more from the heart  
forever trusting who we are and  
nothing else matters never opened myself this way life is ours,  
we live it our way all these words, i don't just say and nothing  
else matters trust i seek and i find in you every day for us  
something new open mind for a different view and nothing else  
matters never cared for what they do never cared for what  
they know but i know so close, no matter  
couldn't be much more from the heart  
forever trusting who we are and nothing  
else matters never cared for what  
they do never cared for what they know  
but i know i never opened myself this way  
we live it our way all these words, i don't  
nothing else matters trust i seek and i find in you every day for  
us something new open mind for a different view and nothing  
else matters never cared for what they say never cared for  
games they play never cared for what they do never cared  
for what they know and i know, yeah, yeah so close, no  
matter how far couldn't be much  
more from  
the heart forever trusting  
who we are no, nothing  
else matters
