

Nothing Else Matters

so close, no matter
how far couldn't be much
more from the heart forever
trusting who we are and nothing
matters never opened myself this
we live it our way all these words, I
nothing else matters trust I seek and I find in you every
day for us something new open mind for a different view and
nothing else matters never cared for what they do never
cared for what they know but I know so close, no matter how
far it couldn't be much more from the heart forever trusting
who we are and nothing else matters never cared for what they
do never cared for what they know but I know I never opened
myself this way life is ours, we live it our way all these words,
I don't just say and nothing else matters trust I seek
and I find in you every day for us something new open
mind for a different view and nothing else matters
never cared for what they say never cared for
games they play never cared for what they do
never cared for what they know
know, yeah, yeah so close, no
how far couldn't be much
the heart forever trusting
who we are no, nothing
else matters

ELSE

way life is ours,
don't just say and

**AND I
MATTER
MORE FROM**
