

Times Like These

★ ★ ★ I ★ ★ ★

I'm a one way

motorway I'm the one that

drives away Then follows you

back home I, I'm a street light

a wild light blinding bright Burning

Ah-ah-ahh It's times like these you learn to live again It's times

like these you give and give again It's times like these you learn

to love again It's times like these time and time again I, I'm a new

day rising I'm a brand new sky To hang the stars upon tonight I am a

little divided Do I stay or run away And leave it all behind? Ah-ah-ah

It's times like these you learn to live again It's times like these you

give and give again It's times like these you learn to love again It's

times like these time and time again It's times like these you learn to

live again It's times like these you give and give again It's

times like these you learn to love again It's times like these

time and time again It's times like these you learn to live

again It's times like these you give and give again It's

times like these you learn to love again It's

times like

these time and time again It's times

these you learn to live again It's times

you give and give again It's times

these you learn to love again

It's times like these time

and time again

**shining I'm
off and on**
